

Carewest presents:

2021 Supportive Pathways Train-the-Trainer Sessions:

This session will give you the ability to train your staff in a nationally recognized Dementia Care program that emphasizes key skills that everyone on the care team can use.

On completion, you will receive access to training materials that will allow you to meet the staff training needs (both on hire and regular refresher) to meet Alberta's Continuing Care Health Services Standard related to dementia training.

<u>Session</u>	<u>Dates</u>	<u>Location</u>
Train the Trainer	2021 May 5 and 6 2021 October 20 and 21	Facilitated virtually on Zoom

Please Note: 2-day Basic Participant Supportive Pathways training is a **required prerequisite** for Supportive Pathways Train the Trainer. A copy of your "Participant" Certificate is required with registration forms.
