SPEED NETWORKING EVENT: Find your Research on Aging Match

Results from the Rotating Table Discussions

Housing

- Support new, sustainable, self-sufficient models of housing
- Look at “aging in the community” strategies

Continuing Care

- Provide help to navigate the system from home living through to palliative care
- Stress the importance of Quality of Life issues in continuing care

Caregiving

- Identify teams that work, and include family in the teams
- Examine tools and technology to support caregivers

Continuing Care Policy

- Staffing needs to reflect the increasing complexity of care for residents/clients
- Need to compare cross-province policies

Seniors' Policy

- Study the impact of multicultural staff and residents in facilities
- Need to raise awareness across the life course to inform policies
