INSTITUTE FOR CONTINUING CARE EDUCATION AND RESEARCH (ICCER)

A network of post-secondary institutions, continuing care providers, and regulatory bodies collaborating to improve continuing care in Alberta

Community Needs Driven Research Network (CNDRN)

- First funded by Alberta Innovates Health Solutions
- Now supported through an operational grant from Alberta Health 
- The purpose is to identify needs – **from the perspective of the community and care providers** - related to continuing care where education and/or research could help improve care

AND

- To encourage research and knowledge translation to address the identified issues.

Community Needs Driven Research Network (CNDRN) for Continuing Care in Alberta

Supported by:

Consultations, focus groups, & interviews
with front-line staff & community

Transfer knowledge back to caregivers
in the community, including:
